ABOUT

Hi, I'm Jojo. Lovely to meet you! I'm a traveler, photographer and blogger. And I'm obsessed with travel! People say I'm a thoughtful, sweet, inspiring go-getter in a tiny 4'11" body. I'd say I'm exactly that.

When it comes down to it, I feel best when I'm fully self-expressed, pursuing things I love. And enjoy it most when others do it with me too.

Traveling Petite Girl is a travel & lifestyle blog that inspires and encourages female travelers to enjoy their travels & lifestyles much more. It's a trusted resource for destination guides & travel tips for female travelers.

My blog uses beautiful photography & video to share travel tips and recommendations to my viewers & readers. Each content I create is well-researched with in-depth details and I answer all questions my viewers & readers have on each post.

My readers are typically travelers with busy lives, who want to make the most of their vacations. They are budget-conscious but splurge on special experiences like activities, accommodations, food, and self-care.

They come to me because they searched for honest reviews on accommodations, tours, activities, products, and destinations.

I share authentic stories within sponsored posts to ensure that the content doesn't come off as too promotional. I'm always transparent about sponsored content to keep the authenticity I've built with my readers.

Majority of my readers & viewers come from Pinterest & YouTube search, so content about your brand will be read and watched by new audiences for years.

If you have other ideas about sponsorships, let me know!
